

Effective 5/12/2015

63F-1-210 Accessibility standards for executive branch agency information technology.

- (1) The chief information officer shall establish, by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act:
 - (a) minimum standards for accessibility of executive branch agency information technology by an individual with a disability that:
 - (i) include accessibility criteria for:
 - (A) agency websites;
 - (B) hardware and software procured by an executive branch agency; and
 - (C) information systems used by executive branch agency employees; and
 - (ii) include a protocol to evaluate the standards via testing by individuals with a variety of access limitations;
 - (b) grievance procedures for an individual with a disability who is unable to access executive branch agency information technology, including:
 - (i) a process for an individual with a disability to report the access issue to the chief information officer; and
 - (ii) a mechanism through which the chief information officer can respond to the report; and
 - (c) are, at minimum, consistent with the Web Content Accessibility 2.0 guidelines published by the World Wide Web Consortium.
- (2) The chief information officer shall update the standards described in Subsection (1)(a) at least every three years to reflect advances in technology.
